

Natural Gas Contract Saves Indiana Manufacturer 22%

Energy Independence. More Choice. Less Waste.

Indiana Plant Sees \$500,000 in Savings

Energy Professionals specializes in Natural Gas and Energy procurement, offering competitive pricing and best in class service.

Introduction

When it comes to asphalt manufacturing, paving and repair in Indiana, there was one manufacturer that brought the best in customer service, materials and all things pavement-related to Greater Indianapolis; a company that constantly ranked as one of America's top-ten paving companies.

The Problem

-  Overspend
-  Budget Control
-  Fluctuating Energy Bills

As an organization, they were looking for any way they could reduce and better control their budgets based on their production levels and the jobs they were doing, but were having trouble due to due to month-to-month fluctuations in energy bills.

The Solution

Introduced to Energy Professionals by one of our partners, we were able to conduct an energy audit on all their utility bills.

Understanding the situation, and thanks to our nationwide network of top-tier Natural Gas suppliers, we were able to identify a supplier that could provide Natural Gas at a much lower rate and contract that rate for 36 months.

Solutions Designed For Your Energy Needs

From giving you better control and saving you money with Natural Gas and Energy procurement to creating energy independence with energy efficiency and renewable energy solutions, Energy Professionals designs solutions for your energy needs and budget. Some of our core solutions include:

- Demand Response
- Backup Generation & Batteries
- Energy Intelligence
- Solar & Renewable Energy Solutions
- Energy Efficiency
- Bill Auditing & Expense Management
- HVAC New Life Restoration
- Microgrid Design & Implementation

The Result

-  \$500,000 saved
-  Complete Budget Prediction for 3 years
-  22% Energy Bill Reduction

About Energy Professionals

Founded in 1999, Energy Professionals is one of North America's leading energy consultants working with commercial customers to reduce and control their energy budgets. We build client-specific, comprehensive energy strategies that factor in our clients' goals and objectives. Utilizing our extensive network of suppliers, energy efficiency experts and renewable energy partners, we bring the most effective, efficient and innovative technologies to the table. We offer both focused solutions to a specific issue and broad plans to address long-term growth, paving the way for energy independence, providing more choice and less waste.
