

America's Sub Culture Meets Energy Savings

Energy Independence. More Choice. Less Waste.

Ohio Subway Chain Saves \$31,000 in Energy Costs

Energy Professionals specializes in Natural Gas and Energy procurement, offering competitive pricing and best in class customer service.

Introduction

No matter how popular sub sandwiches are, opening a franchise chain can present several challenges. Like any business the main challenge presented is how to make your franchise/s profitable. Many things add up to franchise profitably, the community, the location, your employees, high start up costs, and so on. When working with Energy Professionals, here's one thing an Ohio Subway chain didn't have to worry about: ENERGY COSTS.

The Problem

-  **High / Rising Energy Bills**
-  **Multiple Locations**
-  **Budget Control**

The Solution

Create budget certainty and reduce energy costs by sourcing all five locations from a single energy supplier at below market rates.

Becoming their virtual energy manager, taking care of all their energy related matters year-after-year, realizing a 16% reduction in energy costs and a total of \$31,000.

Solutions Designed For Your Energy Needs

From giving you better control and saving you money with Natural Gas and Energy procurement to creating energy independence with energy efficiency and renewable energy solutions, Energy Professionals designs solutions for your energy needs and budget. Some of our core solutions include:

- Utility Bill Recovery
- Energy Efficiency Solutions
- Backup Generation & Batteries
- Energy Intelligence
- Solar & Renewable Energy Solutions
